15.3 Each of the restrictions contained in each sub-clause of clause 15.2 is separate and distinct and is to be construed separately from the other restrictions. Each of the Founders hereby acknowledges that he considers such restrictions to be reasonable, both individually and in the aggregate, and that the duration, extent and application of each of the restrictions are no greater than is necessary for the protection of the goodwill of the business of the Company and that the consideration paid by the Investors for the New Shares applied for in this agreement takes into account and adequately compensates him for any restriction or restraint imposed thereby. However, if any such restriction will be found to be void or unenforceable, but would be valid or enforceable if some part or parts thereof were deleted or the period or area of application reduced, each of the Founders hereby agrees that such restriction will apply with such modification as may be necessary to make it valid.

Intellectual property

- 15.4 Any discovery, invention, secret process or improvement in procedure made or discovered by any Founder while in the service of the Company or while a Shareholder, in connection with or in any way affecting or relating to the Company's business or capable of being used or adapted for use in or in connection with the Company's business, will as soon as reasonably practicable be disclosed to the Company and will belong to and be the absolute property of the Group Company which the Company nominates for the purpose. For the avoidance of doubt, this agreement will not operate as a transfer instrument and any transfer of Intellectual Property rights will be effected under a separate agreement.

Each of the Founders (whether before or after his ceasing to be a Shareholder, or his ceasing to be an employee or engaged as a consultant of any Group Company) will, at the Company's expense, apply or join in applying for patent or other similar protection in the United Kingdom, the Republic of Ireland or any other part of the world for any such discovery, invention, process or improvement as referred to in this clause 15.4 and will execute all instruments and do all things necessary for vesting those letters patent or other similar protection when obtained and all right and title to and interest in them in the Company (or its nominee) absolutely and as sole beneficial owner.

No claim

- 15.5 A Founder will have no claim against the Company in respect of the termination of his contract of employment in relation to any provision in the New Articles, this agreement or any other agreement or arrangement which has the effect of requiring that Founder to transfer, sell, convert, re-designate or otherwise dispose of the whole or any part of his interest in any shares or other securities in the capital of the Company at any price or into any other class of share (if applicable), or which causes any options or other rights granted to him to become prematurely exercisable or to lapse.

16. Confidentiality

- 16.1 Except as provided elsewhere in this agreement, and excluding any information which is in the public domain (other than through the wrongful disclosure of any party), or which any party is required to disclose by law or by the rules of any regulatory body to which the Company is subject, each party agrees to keep secret and confidential and not to use, disclose or divulge to any third party (other than a party's professional advisers) any:
- (a) confidential information relating to the Company (including in relation to Intellectual Property, customer lists, reports, notes, memoranda and all other documentary records pertaining to the Company or its business affairs, finances, suppliers, customers or contractual or other arrangements); or
 - (b) information relating to the negotiation, provisions or subject matter of this agreement (or any document referred to in it); or

(c) information concerning an Investor or any person connected with it.

17. Announcements

17.1 Except in accordance with clause 17.2, the parties will not make any public announcement or issue a press release or respond to any enquiry from the press or other media concerning or relating to this agreement or its subject matter (including the Investors' investment in the Company), or any ancillary matter.

17.2 Notwithstanding clause 17.1, any party may make or permit to be made an announcement concerning or relating to this agreement or its subject matter or any ancillary matter with the prior written approval of an Investor Majority and the Board, or if and to the extent required by law, any securities exchange on which such party's securities are listed or traded, any regulatory or governmental or other authority with relevant powers to which such party is subject or submits (whether or not the requirement has the force of law) or any court order.

18. Costs and expenses

Except as may otherwise be agreed in writing, the Company, the Founders, the Investors and any Existing Shareholders will bear their own costs and disbursements incurred in the negotiations leading up to and in the preparation of this agreement, and of matters incidental to this agreement.

19. Survival and cessation of obligations of the Founders

The obligations on a Founder under clauses 7 (Warranties), 15 (Founder covenants), 16 (Confidentiality) and Schedule 4 (Warranties) will survive any transfer by him of all or any Shares and will survive him ceasing to be a director or employee of or consultant to the Company, but otherwise upon a Founder ceasing to hold Shares and ceasing to be a director or employee of or consultant to the Company he will have no further obligation or liability hereunder, but without prejudice to the due performance by him of all obligations up to the date of such cessation.

20. Effect of ceasing to hold Shares

A party will cease to be a party to this agreement for the purpose of receiving benefits and enforcing his rights with effect from the date he ceases to hold or beneficially own any Shares (but without prejudice to any benefits and rights accrued prior to such cessation).

21. Remedies

21.1 The rights, powers, privileges and remedies conferred upon the Investors in this agreement are cumulative and are not exclusive of any other rights, powers, privileges

or remedies provided by law.

- 21.2 Each of the parties acknowledges and agrees that the only cause of action available to it under the terms of this agreement and the documents referred to or incorporated in this agreement in respect of a Claim will be for breach of contract.
- 21.3 Other than in respect of a Claim, each of the parties acknowledges and agrees that damages alone may not be an adequate remedy for the breach of any of the undertakings or obligations as set out in this agreement. Accordingly, without prejudice to any other rights and remedies the parties may have, the parties will be entitled to seek the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the terms of this agreement.

22. Waiver

The express or implied waiver by any party to this agreement of any of its rights or remedies arising under this agreement or by law will not constitute a continuing waiver of the right or remedy waived or a waiver of any other right or remedy.

23. Entire agreement

- 23.1 This agreement and the documents referred to or incorporated in it constitute the entire agreement between the parties relating to the subject matter of this agreement and supersede and extinguish any prior drafts, agreements, undertakings, representations, warranties and arrangements of any nature whatsoever, whether or not in writing, between the parties in relation to the subject matter of this agreement.
- 23.2 Each of the parties acknowledges and agrees that it has not entered into this agreement in reliance on any statement or representation of any person (whether a party to this agreement or not) other than as expressly incorporated in this agreement and the documents referred to or incorporated in this agreement.
- 23.3 Nothing contained in this agreement, or in any other document referred to or incorporated in it, will be read or construed as excluding any liability or remedy as a result of fraud.

24. Prior Agreement(s)

With effect from Completion and in consideration of the obligations of the parties to each other under this agreement, any Prior Agreement will terminate and cease to have effect. Each of the parties to any Prior Agreement will stand released and discharged from all obligations arising under or resulting from it. None of the parties to any Prior Agreement will be entitled to exercise (and each such party waives) any rights to make any claim against any of the others under or in relation to such Prior Agreement or its termination, save that nothing in this clause will release any party

from liability for breaches of any Prior Agreement which occurred prior to Completion.

25. Variation

All and any of the provisions of this agreement may be deleted, varied, supplemented, restated or otherwise changed in any way at any time with the prior written consent of the Company and by Shareholders holding at least 75 per cent of all Shares then in issue, in which event such change will be binding against all of the parties hereto, provided that if such change would impose any new obligations on a party, vary an express contractual right of that party, decrease any right of that party or increase any existing obligation, the consent of the affected party to such change will be specifically required.

26. No partnership

Nothing in this agreement is intended to or will be construed as establishing or implying any partnership of any kind between the parties.

27. Assignment and transfer

27.1 Subject to clause 27.3, this agreement is personal to the parties and no party will:

- (a) assign any of its rights under this agreement;
- (b) transfer any of its obligations under this agreement;
- (c) sub-contract or delegate any of its obligations under this agreement; or
- (d) charge or deal in any other manner with this agreement or any of its rights or obligations.

27.2 Any purported assignment, transfer, sub-contracting, delegation, charging or dealing in contravention of clause 27.1 will be ineffective.

27.3 An Investor may assign the whole or part of any of its rights in this agreement to any person who has received a transfer of Shares from such Investor in accordance with the New Articles, and has executed a Deed of Adherence.

28. Rights of third parties

28.1 Subject to clause 28.2, this agreement does not confer any rights on any person or party (other than the parties to this agreement) pursuant to the Contracts (Rights of Third Parties) Act 1999.

28.2 The general partner of an Investor, or the management company authorised from time to time to act on behalf of that Investor, or another person or persons nominated by

that Investor, will be entitled to enforce all of the rights and benefits under this agreement at all times as if party to this agreement.

29. Conflict between agreements

Subject to any applicable law, in the event of any ambiguity or conflict between this agreement and the New Articles, the terms of this agreement will prevail as between the Shareholders, and in such event the Shareholders will procure such modification to the New Articles as is necessary.

30. Counterparts

This agreement may be executed in any number of counterparts, each of which will constitute an original, and all the counterparts will together constitute one and the same agreement. The exchange of a fully executed version of this agreement (in counterparts or otherwise) by electronic transmission in PDF format or by facsimile will be sufficient to bind the parties to the terms and conditions of this agreement, and no exchange of originals is necessary.

except that if a communication is received between 5:30 pm on a Business Day and 9:30 am on the next Business Day, it will be deemed to have been received at 9:30am on the second of such Business Days.

32. Consideration

The consideration under this agreement consists of the obligations of the parties to each other. The Founders and any Existing Shareholder further agree that payment by the Investors to each Founder and any Existing Shareholder of £1.00 (receipt of which is hereby acknowledged), and the investment by the Investors in the Company, alone and together amount to good consideration in respect of the obligations of the Founders and any Existing Shareholder under this agreement.

33. Severance

- 33.1 If any provision of this agreement is held to be invalid or unenforceable by any judicial or other competent authority, all other provisions of this agreement will remain in full force and effect and will not in any way be impaired.
- 33.2 If any provision of this agreement is held to be invalid or unenforceable but would be valid or enforceable if some part of the provision were deleted, the provision in question will apply with the minimum modifications necessary to make it valid and enforceable.

34. Governing law and jurisdiction

- 34.1 This agreement (and any dispute or claim relating to it or its subject matter (including non-contractual claims)) is governed by and is to be construed in accordance with English law.
